

## GEMS Assessment and Reporting

### Spring 2016

Thank you for your feedback regarding the progress updates sent out recently. Some Parents have asked for clarification of the grading system. The summary of this is below and is taken from the presentation to Parents. Further information can be found in the whole powerpoint, along with the Assessment without Levels information booklet which are on our website

### How we arrive at the judgement

- A judgement will be arrived by looking at a percentage of objectives achieved. The weighting of the assessment is taken account when arriving at this percentage.

Overall Progress towards ARE	Percentage
WT	10%
WT+	27.5%
Dev	45%
Dev+	65%
Sec	85%

As a general guide, a pupil on track to meet the ARE will be at least Working Towards at Christmas, at least Developing at Easter and at least Secure by the end of the Year.

NB: ARE = Age Related Expectations

Please do not hesitate to contact the school office if you require any further information.
