## **How to pay for school meals at GEMS:**

You can send a cheque made payable to 'Chartwells', this should have your child's name and form printed clearly on the back. The cheque is placed in a secure box in the school entrance hall - if possible before break on Monday mornings. The amount is added to your child's account

**or**

Your child can come into school between 8.45am and 8.55am and put cash onto their account by inserting money into the cash loader. The machine accepts notes and silver - no copper (not 1p, 2p or 5p). Your child will be shown how to do this.

When your child purchases food/drink in the dining room - at the till their finger scan will record what has been spent and be deducted from your child's account.

If your child does not have enough money on their account for their meal they will be sent to the office

**or**

You can also credit your child's lunch account online. Please go to [www.ParentPay.com](http://www.ParentPay.com). If you would like further information about this payment facility or you require a username and password please do not hesitate to contact the School Office.
