In the Pursuit of Excellence

11th September 2025

Dear Parents

What a great start we have had to our new school year. School feels a calm and vibrant place to be learning. Our children are coming in happy, enthusiastic and keen to get on with their day. They all look smart and well equipped for their lessons. Thank you, we appreciate the hard work that goes on behind the scenes to enable this to happen.

Could I remind you that ASDA carpark is available for drop offs and pick ups each day. The streets around school are incredibly busy and the children are finding it difficult to cross the roads safely. Unfortunately, we have had a number of complaints from parents that other parents are parking on or over the double yellow lines on no waiting zones which make it very dangerous for the children to cross the road in order to get to school or return home at the end of day. Could I also request that you don't reverse into the school entrance after dropping your child off as we have had several near misses. If the staff from school do request for you to move your vehicle of the double yellow lines for the safety of the children, could you observe this request with respect and understanding rather than subject the member of staff to verbal abuse. Whilst this is a small minority of people, it will not be tolerated and will be reported to any relevant authorities.

As I stated at the beginning of start, we have had a great start to the school year and are really excited about what the rest of the year has in store for us all.

Best wishes

Mr T Stout
